The MF-RUNDE issues its award when the award application is submitted, the QSO's and the scores must be listed and then added up. QSL cards do not need to be presented.

For the Kehdinger Küstenschiffahrtsmuseum award a GRC list (confirmed list of QSL cards) must be sent in to the MF award manager.

The applications will be checked and processed after we receive the amount due. The new award holders will be announced in the weekly bulletin (see frequency plan).

As the engraving of the plaques and trophies requires a different effort on the part of the manufacturer, no binding deadlines can be given for the delivery.

The applications become the property of MF-RUNDE e.V. The legal process is excluded.

Costs: The postage and shipping costs for dispatch within Germany are already included in all amounts. For shipping abroad, we try to find the cheapest way. Sometimes this means additional postage.

All plaques cost 55 Euro, within DL and abroad. If desired, the engraving can be done "CW only".

The MF Trophy costs 65 Euro within DL and 65 Euro abroad.

The price for the MF Supertrophy is 115 Euro, the price for postage abroad on request.

Trophy and Supertrophy can also be applied for as a decorative paper document for 10 Euro.

Later, if you decide to buy the real ship's bell or clock instead of the document, the fee will be deducted from the price of the bell or the clock.
